Janitorial and sanitation supplies are among the top utilized products for businesses all over the United States today. Blaine Industrial Supply, a part of the GVH Family of Companies, services a wide range of customers throughout West Texas and Eastern New Mexico with our product line that consists of over 1500 quality named products and excellent customer service.

With our family oriented business practices, Blaine Industrial Supply offers tremendous growth and opportunities to our team members. We offer competitive compensation as well as an outstanding benefits package including 401K matching, health, dental, vision, and life benefits. As well, Blaine Industrial Supply offers you an environment to grow and succeed in.

The Blaine Industrial Supply Account Manager will be an integral part of our team. This team member will be responsible for servicing customers in the Eastern New Mexico & West Texas area. The Account Manager will remain visible in the business community and in the market place in which the company operates and provide a positive and professional image for the company. He/she will maintain an accurate customer account list, remain in constant contact with established customers, maintain or exceed assigned sales volume and profit margin, and keep up to date with changes in the industry.

Preferences include prior experience in the janitorial/sanitation industry and a college degree in Business with a Major in Sales or Marketing.

Requirements include a minimum of 2 years sales experience of business accounts with the ability to understand the needs of business accounts through conversational interaction and converting those needs into sales as well as cold calling.

The Account Manager will begin at a salary of \$3,333.33 plus \$400/month auto allowance for the first 2 months. After 2 months, the Account Manager will move to commissions.

If you are an outgoing and self-motivated individual, you belong at Blaine Industrial Supply!
