Janitorial and sanitation supplies are among the top utilized products for businesses all over the United States today. Blaine Industrial Supply, a part of the GVH Family of Companies, services a wide range of customers throughout Eastern New Mexico and West Texas with our product line that consists of over 1500 quality named products and excellent customer service. With our family oriented business practices, Blaine Industrial Supply offers tremendous growth and opportunities to our team members.

If you are an energetic and outgoing individual looking to become an essential part of a family oriented and highly specialized team, you belong at Blaine Industrial Supply.

The Blaine Delivery Drivers are the key to our continued success in the janitorial & sanitation supply business. Our drivers deliver excellent customer service and develop long standing relationships with our customers. The primary responsibilities of our delivery driver will include delivering timely and correct orders to our customers, maintaining vehicle cleanliness, and operating a box truck or passenger vehicle in a safe and courteous fashion. They will also be responsible for pulling the orders for delivery to customers. Pulling orders includes reading the order, pulling that order in our warehouse, and organizing the orders on the truck to be delivered to our customers in the most efficient manner.

The Blaine Delivery Driver will be able to move product from vehicle to dock area by hand and operate a forklift. They will perform all pre-trip duties that include managing routes, organizing ship tickets and/or invoices, and product count. As well, they will perform all post-trip duties that include unloading returns or damaged goods, completing necessary paperwork, and complete any logs that need completing. Must be proficient in scheduling deliveries, route planning, and have a basic knowledge of how to plan his/her own daily tasks/deliveries in the most efficient way possible. We would also like for our Delivery Driver to have pride in his/her appearance and be able to provide exceptional customer service.

The Blaine Delivery Driver is required to be 21 years of age or older. They must not have any DUI or DWI convictions within the past 2 years and they must not have more than 2 moving violation convictions within the past 2 years. There is no CDL license requirement to be a delivery driver for Blaine Industrial Supply. The Blaine Delivery Driver must have 2 years of experience delivering product to commercial accounts and 2 years of customer service experience to qualify for this position. This team member must have a high school diploma or GED.

A valid NM or TX Driver's License is a REQUIREMENT for this position.

The compensation for this position is \$14.00/hour.
